PROJECTS

Mimic's Blackberry
PROJECT MANAGER

https://www.mimics-blackberry.com/

A calendar app to help DM's and players. Connect, keep track of time, take notes of their campaigns and a chrome extension so players can add notes to their calendars without leaving their VTTP's are just a few of the features.

Costume Marketplace
PROJECT MANAGER

https://rails-costume-airbnb-clone.herokuapp.com/

A one-week market-place where you can post & rent costumes. Possibility of leaving reviews, check the map for location and also Cloudinary services..
